Arrival & Entry

You find the City Oasis at:

Carrer de la Llebre 5

Girona 17004

SPAIN

You can look for Plaça del Vi, then enter the road at the end Carrer dels Ciutadans. As you are staying there you are allowed to drive in for loading / unloading only.

Then at the **Taglietta Restaurant** turn right you get to the Plaça de Sant Josep and at the end you find the steps to go up to the City Oasis. You can unload your luggage, but you should not drive in all the time.

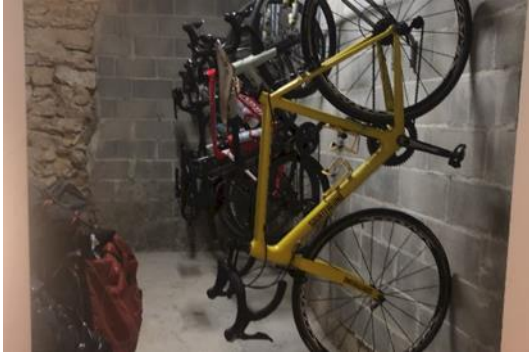

The front door can be opened with the keycode you will receive before your arrival.

The access to your apartment is with the same key code. Please enter the code followed by the **Lock open** button.

When you leave the apartment, please do not forget to lock the apartment just with the **Lock close** button only.

On the left side of the entrance door, we have a lockable storage room where you can leave your luggage and hang up your bikes. Unfortunately, we could not take out insurance for this room, so we cannot take any responsibility for your possessions, however as only we and guests who are currently in the 4 apartments have access codes, we believe it is very safe. The access code is the same as the one you received for your apartment.

Please also close the windows and doors when you are not in the apartment. There are many Pigeons in the areas who love to visit your apartment when doors or windows are open, while you are away.

You will also find an Intercom in your apartment so visitors can reach you in your apartment.

- Switch the Camera on
- Lets you talk to the visitor
- Opens the front door

Please give the apartment Number to your visitor
